

Discover a Brighter Ice Age

As one of the leading manufacturers of ice systems in the world, Warburg-Pincus and Braveheart Acquisitions, Inc., invite you to hear the latest news regarding their acquisition of the Enodis Global Ice Group.

During a press briefing Saturday, May 16, at 10:00 a.m., David McCulloch, former CEO of Enodis, will make an exciting announcement about the Global Ice Group at the Scotsman and Ice-O-Matic booth (#3638). David and Kevin Fink, President, Ice Group-Americas, will also be available to answer questions about the future plans for the company.

To confirm your attendance please RSVP to amy.rosendahl@noble.net by May 7.

We look forward to seeing you!
