

**SUBJECT: CUBER SERVICE PARTS  
ICEU225\* MODEL SPECIFIC COMPRESSOR CHANGE**

**Number: 2018-16  
Product: Cuber  
Date Issued: September 10, 2018  
From: Technical Service**

Due to manufacturing considerations, the compressor, 9181115-13 for the ICEU225 series has been changed. This compressor change will include a new compressor kit part number, **1051232-01**, specific starting components and associated installation hardware listed below. **Please reference the Machine Model Number for the Correct Compressor Kit Part Number.**

Model Number	Old Compressor Part Number	<u>New Compressor Kit Part Number</u>	Kit Description
ICEU225HA2	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware
ICEU225FA2	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware
ICEU225HW2	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware
ICEU225FW2	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware
ICEU225HA3	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware
ICEU225HW3	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware
ICEU225FW3	9181115-13	<b>1051232-01</b>	Includes Compressor, Start Components and Hardware

<u>Compressor Kit Specifics</u>		<b>1051232-01</b>
Compressor Part Number	9181192-11	(AE444OZ-FZ1A)
Overload	9181173-03	
Start Capacitor	9181003-57	
Compressor Relay	9181174-03	
Drier	9151163-01	

**Caution:** As with all compressor replacements, the system will require a cycle check and adjustment of product controls to allow the maximum capacity output for the customer.
